

With over 15 years of experience in Human Resources & Human Resources Strategy, Parinitha holds an expertise in Talent Management & Talent Acquisition.

By establishing a Talent Development Centre, she worked on enhancing roles, reducing hiring costs & promotion of over 60 internal talents.

In her current role as an Associate Director at Manipal Health Enterprises, she played a considerable role in reducing infant attrition by 5%. Additionally, she has been directly involved in Change Management & Culture Alignment interventions with Business leaders & teams to improve retention, staff motivation, organisation brand value & employee proposition helping the company move towards building a culture of rewards & motivation.

She revamped Talent Acquisition structures & implemented Job ReBanding in order to overcome long hiring delays coupled with underperforming teams.

Parinitha's passion & dedication for change leadership & human resources, enabled her to develop an individual development plan (IDP) for managers boosting their focus on caring for their employees, thus increasing their net promoter score (NPS) from 68 to 75.

She completed her masters in business administration from Manipal institute of management & has honed her skills for human resources through certifications like human resources in data analytics & Competency mapping.
